“OUR FAMILY SERVING YOUR FAMILY SINCE 1976”

## WHAT'S NEW

As 2018 comes to a close, I continue to reflect on the core values we implemented in 2017.

At our Christmas party, I asked our employees in which ways they had implemented our values. It was truly inspiring to hear how our family helped serve your family over the past year. From helping elderly customers get gas at our c-stores to drivers working extra late to fill up a farmer, each person had a story to tell.

It has been a privilege and honor to serve you this past year. Merry Christmas!

Chad Kramer
