“OUR FAMILY SERVING YOUR FAMILY SINCE 1976”

A NOTE FROM DON KRAMER

Dear Kramer Oil Family,

Kramer Oil Company has been my passion for the last five decades. I deeply value the relationships and friendships we have shared through doing business together. The journey began with my father, Walter, when he became an agent for Standard Oil in 1941. In 1976, I became the proud owner of Kramer Oil, and now I pass this family-owned business to my son, Chad. For the past several months, I have been happy to step aside and allow Chad to assure the responsibility of running Kramer Oil. Please know if you need to speak with me, I am always here for you. Thank you for allowing our family to serve your family.

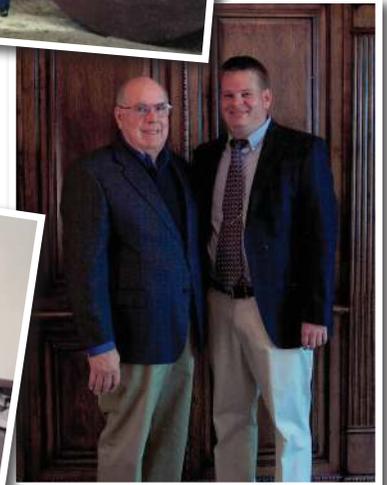

In Gratitude,

Gertrude & Walt Kramer

ANSWERING YOUR QUESTIONS...

Q: I am tax exempt. Why do I have to pay sales tax at the pump?

A. Everyone fueling up at the pump pays sales tax. If you are tax exempt, our accountant will remove that sales tax before statements are mailed out

at the beginning of the month. If you have any questions or need to fill out paperwork for your tax exempt status, please give us a call at the office.
