“OUR FAMILY SERVING YOUR FAMILY SINCE 1976”

## WHAT'S NEW

Spring is here! It sure is nice to be able to go outside and enjoy the weather. There are many places to take advantage of the warmer temps, including the Blue River Rail Trail in Marysville, the Hollenberg Pony Express Station near Hanover, or the Clay Center Zoo.

We are looking forward to the spring planting season. We are proud to have plenty of trucks and drivers available to take care of your needs, especially during these busy times of the year.

Also, don't forget to ask about lubricants for your equipment. We have Sinclair and Mobil drums and totes available on hand to purchase in Marysville. Finally, we have DEF (Diesel Exhaust Fluid) available in jugs, drums, and totes. We can deliver all of these items to your location to save you time.

As always, thank you for letting our family serve your family.
