## WHAT'S NEW

This month's newsletter is all about CHANGE. Change is something people often struggle with. But as Sheryl Crow once said, *"Change would do you good!"*

In this case, Sheryl is right. Change can often bring OPPORTUNITY. There are some exciting things happening at Kramer Oil, and we hope you'll continue reading about each of them highlighted here.

In other news, summer is in full swing! It is such a busy time for many people and families. We hope you are making the most of your summer, by exploring new places, soaking up the sunshine, and spending quality time with loved ones.

As always, thank you for letting our family serve your family.

Chad Kramer

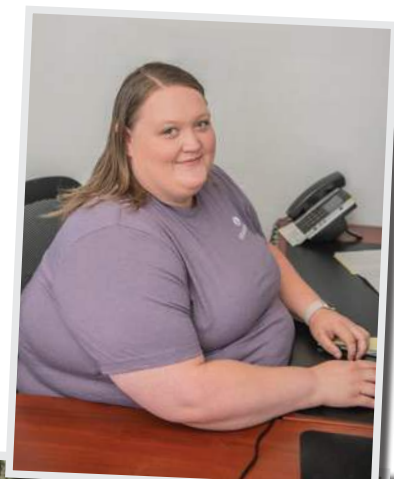

## Welcome Megan Fletcher!

We are so excited to introduce our new Accounts Payable Manager, Megan Fletcher! You might be thinking to yourself that Megan looks familiar...and that's because she does! Megan has spent the last 9 years working at CJ Express, spending the last 5 years as Manager of the East store. In June, she transitioned to the Kramer Oil office for her new role.

She and her husband Jacob live in Marysville with their daughter Susan.

We hope you'll stop by the office and help us in welcoming Megan to her new role at Kramer Oil!

## FAREWELL JOY!

As Megan joins the team, Joy Kramer will be leaving her role at the office. Joy has been with Kramer Oil since 2008, holding various roles within the company, and will now support the Kramer family at home. We wish her all the best as she enters this new chapter! Thank you, Joy, for your dedication and hard work. You are an important part of the Kramer Oil family!

# NEW NEBRASKA BULK PLANT

FAIRBURY

We are excited to announce we are purchasing Maatsch Oil's bulk plant in Fairbury, Nebraska. We look forward to welcoming their customers to the Kramer Oil family.

Acquiring this bulk plant will allow us to serve new customers in the Jefferson County, Nebraska area. We are thankful the Maatsch Oil family chose us to be their partner in this transition. Most things will remain the same, including Jeremy and Chance, who are the current delivery drivers for Maatsch Oil. This transition will occur on July 1st. Look for more information next month as we introduce you to our new team. If you have inquiries regarding our delivery in this area, please call our office at 785-562-2466.

## A NEW LOOK FOR YOUR MONTHLY STATEMENTS

We recently switched to a new accounting software at Kramer Oil. Beginning this month, you may notice your bill looks slightly different.

### A few things to note:

- If you wish to receive a detailed cardlock statement going forward, we will email those statements instead of sending those via the post office.
- If you wish to inquire about the balance on your contract, you will need to call or text the office.
