In an effort to reduce paper waste and increase customer satisfaction, Kramer Oil is now offering the option to receive your monthly billing statement by email. Receiving your statements electronically gives you the convenience of instantly receiving your statement at the beginning of the month, and the ability to refer back to it at any time in one, easy-to-find location.

If you would like to volunteer for this program, fill out the bottom portion of this letter, and return it to us. ALL information you provide will be considered strictly confidential.

Once we receive this form from you signed and completed, you will begin receiving statements via email, rather than through traditional paper mail.

We would like to take this time to thank you for your continued business, and feel free to call us any time with questions or comments.

Sincerely,

Chad Kramer
